

CHAINSAW OIL

CHAINSAW OIL is high-quality oil for exclusive use of chainsaw and is superior in lubricity and workability.

● Special Features

1. Available in all seasons

CHAINSAW OIL can be used with confidence throughout the year, because it has excellent fluidity at low temperatures.

2. Excellent wear resistance

In order to ensure the oil film formation on the chain, **CHAINSAW OIL** is formulated with a stickiness improver agent and highly refined base oil which has a proper viscosity. Therefore, it can prevent wear and seizure of the chain.

3. Superior in preventing oil scattering and rust

CHAINSAW OIL is difficult to scatter since it is superior in stickiness.

CHAINSAW OIL prevents rust because its water resistance is maintained.

4. Excellent economically

Since **CHAINSAW OIL** is excellent in lubricating properties to allow for life extension of the chain, this will lead to economic.

5. Protects against rust and corrosion

CHAINSAW OIL prevents rust and corrosion of chain, because the oil film of the chain surface is not easily flow out by rainwater.

● Containers

200 liter drums, 18 liter cans and 4 liter × 6 cans

● Typical properties of CHAINSAW OIL

Grade			110	220
Color	(ASTM)		L2.0	L2.0
Density	(15 °C)	g/cm ³	0.867	0.894
Kinematic viscosity	(40 °C)	mm ² /s	110	213
	(100 °C)	mm ² /s	12	19
Viscosity index			102	100
Flash point	(COC)	°C	272	280
Pour point		°C	-25	-22.5
Rust prevention	(Distilled water, 60 °C, 24h)		No rust	No rust

Note: The typical properties may be changed without notice. (November 2011)

Handling Precautions

▼ Follow these precautions when handling this product.

Composition :	Base Oil, Additives
Precautionary pictograms:	Not applicable
Signal word:	Not applicable
Hazard Statement:	Not applicable
Precautionary Statements:	
Prevention	<ul style="list-style-type: none">• Do not handle until all safety precautions have been read and understood.• Wear protective gloves/protective clothing/eye protection/face protection.• Do not allow the eyes to become exposed to the product. Do not swallow the product.• Wash hands thoroughly after handling.• Do not eat, drink or smoke when using this product.
Response	<ul style="list-style-type: none">• IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician.• IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.• If the eyes are exposed to the product: Rinse the eyes with plenty of running water and immediately contact a physician.• IF ON SKIN: Wash with plenty of soap and water.
Storage	<ul style="list-style-type: none">• The product must be stored in a cool, well-ventilated location where it will not be exposed to direct sunlight.• Containers that have been opened must be tightly sealed.
Disposal	<ul style="list-style-type: none">• Dispose of contents/container in accordance with local/regional/national/international regulations.• If there are any doubts about proper methods of handling the product, contact the point of purchase before proceeding with usage.
